

Algorithms & Problem Solving Level 1

The background of the slide is a photograph of a modern building's interior. It features a large, curved glass ceiling that allows natural light to filter through, creating a pattern of light and shadow on the floor. In the foreground, the silhouettes of several people are visible, some standing and some sitting, suggesting a collaborative workspace or a public area. The overall tone is professional and contemporary.

Problem #28

Problem #28

Write a program to Sum odd numbers from 1 to N.

Example

Input: 10

Outputs:

25

The background of the slide is a photograph of a large, modern interior space, possibly a library or a large hall. The ceiling is high and features a complex, geometric pattern of intersecting lines, creating a star-like or web-like structure. In the lower part of the image, the silhouettes of several people are visible, some standing and some sitting, suggesting a collaborative or educational environment. The overall lighting is dim, with the ceiling structure being the primary light source.
